Cooperation for a Prosperous World

On October 16, 2025, credit union members around the world will celebrate International Credit Union Day®, an annual event to commemorate the credit union movement's impact and achievements. This year marks the 77th anniversary of this annual event, which will be celebrated under the theme of "Cooperation for a Prosperous World". In honor of this special day, Med Park Credit Union invites its members and the entire community to enjoy refreshments in the credit union lobby.

**COOPERATION
FOR A PROSPEROUS
WORLD**

Credit unions are not-for-profit financial cooperatives that provide an effective and viable alternative to for-profit financial institutions for more than 411 million members in 104 countries worldwide. More than 74,000 credit unions exist globally, providing a plethora of financial services for their members, recognized as a force for positive economic and social change.

Since 1948, International Credit Union Day® has been celebrated annually on the third Thursday of October. Each year, the international event affords the opportunity to remember credit unions' proud history and promote awareness of and support for the credit union and financial cooperative difference.

Stop by Med Park Credit Union on October 16th for a treat and celebrate all that credit unions have to offer.
